Cookline LG2-E 26" Electric Char-broiler

FEATURES

- Stainless steel housing and construction
- Grates can adjusted independently
- Flat or inclined and reversible grate adjustment
- Lava rock heating source
- "Cool-to-the-touch" independent control knob
- Removable drip/crumb tray
- Power ON/OFF indicator light

Just like a traditional gas char broiler, this electric unit features a steel grate over a powerful heating element that will char your food to perfection. No electric is no problem with this powerful 26" char broiler. 220V electric ensures fast heat up times and the slide out drip tray captures grease and crumbs for easy disposal.
