

Manitowoc®

K-00067 CONVENIENT ICE BAGGER

Bag ice on-premise to maximize your net profit. Ideal for all bagged-ice retailers including grocery stores, convenience stores, marinas, and campgrounds.

EASY TO USE...multi-position bracket permits bagger to be placed in most convenient location. Left and right positions accommodate right-handed and left-handed users. Bagger can also stand by itself on rubber bumpers that protect floor from scratching.

PORTABLE...stands only 10.25" wide, 13.00" deep, 28.75" high.* Bagger occupies minimal floor space and stores easily almost anywhere.

*Attachment to C-400 bin necessitates use of No. 612 (12.00"-13.75") bin legs.

EASY TO INSTALL...bagger slips quickly over frame of bin door opening.

DURABLE...galvanized steel construction with "fawn" polyester powder-coated finish withstands frequent use and resists corrosion.

FAST FILLING...large chute handles high volume of ice while minimizing spillage. Removable for easy cleaning.

CONVENIENT TWIST-TIES...fast and simple "tie" closures quickly seal bags tight.

K-00067 ASSEMBLY INCLUDES...

- ◆ Bagger
- ◆ 500 twist ties
- ◆ 250 ice bags, each 11" x 18½" with a maximum fill capacity of 8 pounds.

K-00068 REPLACEMENT BAG KIT...includes 4 wickets of 250 bags each and 1,000 twist ties.
