

SWC3066

34.0" x 29.5" x 22.5" (H x W x D)

30" wide built-in undercounter dual zone wine and beverage cooler; two french doors, digital controls, glass doors, and LED lighting

Highlights:

Dual zone design lets you store red and white wine in separate compartments under the appropriate temperature conditions

Flexible design allows built-in or freestanding use in 30" wide spaces

Stainless steel trimmed glass doors feature modern French door swing

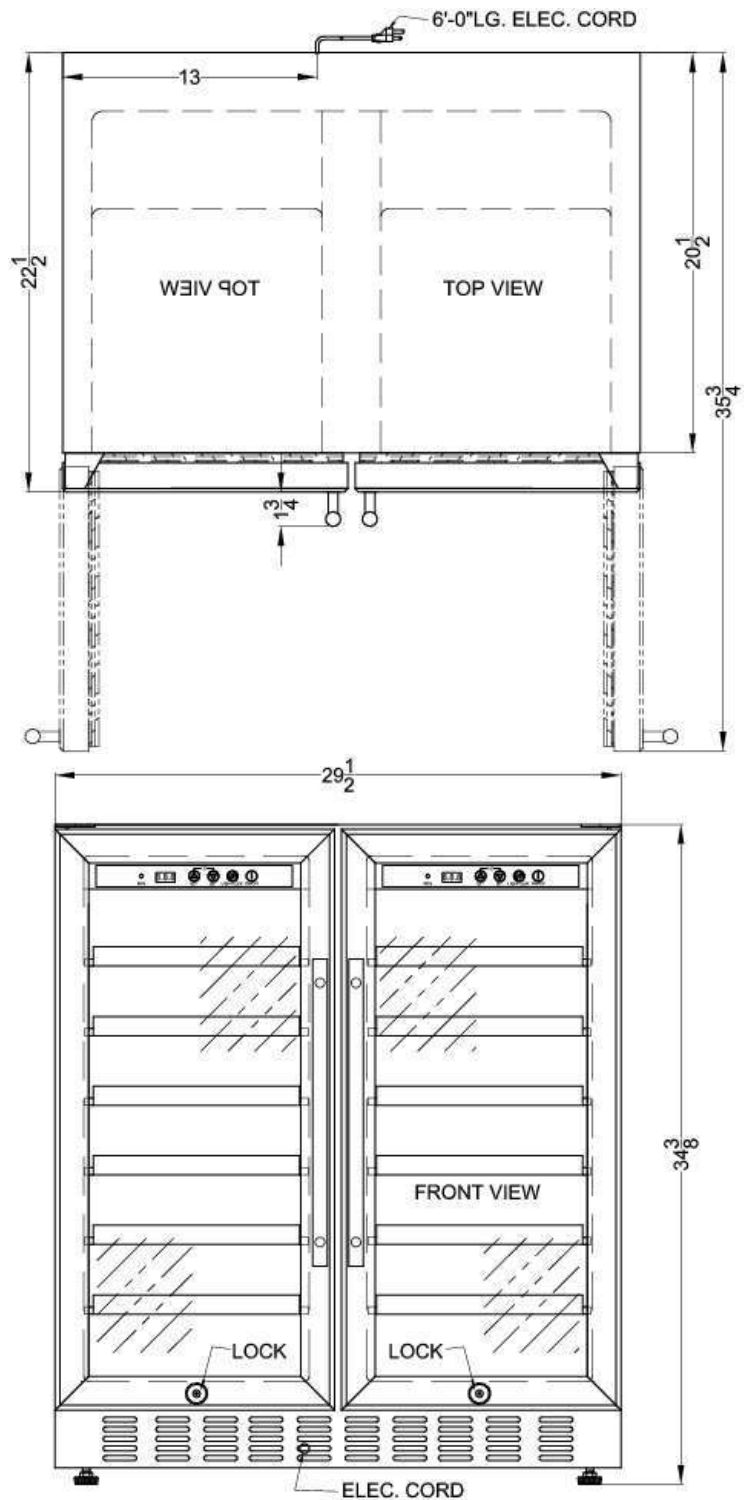

Digital controls offer easy and intuitive temperature management

Built-in capable	Make the best use of space by installing this unit under the counter and flush with other cabinetry
Fully finished cabinet	Allows the unit to be used freestanding
Dual zone design	Two distinct temperature zones let you store white wine at colder temperature and red wine under warmer conditions
Recessed LED lighting	Gentle and energy efficient LED lighting offers an elegant view of your collection
Digital thermostats	Each zone is equipped with electronic temperature controls for easy and intuitive temperature management
Wooden shelves	Classic wood shelves are specially designed to hold bottles safely in place
Professional handles	Sleek stainless steel handles add an elegant touch to any setting
Glass doors	French door swing offers a modern look, with stainless steel door trim for an added accent
Factory installed locks	Keyed locks on both zones offer separate security for interior contents
Automatic defrost	Reduced user maintenance with automatic defrost
